ALL PLAYERS

To complete the registration process for all players, regardless of the league, the Club Secretary, Ackora Hoilett, will need to input your child's details in to the Whole Game FA system (for U11s) or Tandridge League's online database for all other teams. These databases are secured and encrypted for data protection. The information you have provided via the Forestdale Football Club's online registration form will be used for this purpose. You will also be required to share your child's home address. Please send this and your child's name and team to Ackora at info@forestdalefootballclub.com
